ANNUAL STAFF

Production on the 1956 annual began early in the fall. Carol McMinimee, the editor, and her staff planned the book as it is, accepted bids, and worked to meet the first deadline, early in 1956. Subsequent deadlines were successfully met and the book came out as scheduled in the spring of 1956.

The Kilchis was printed by the Tillamook Publishing Company. Pictures were provided by Dorian Studios. Grace Shaw, senior, provided the cartoons for the Cheeseman, the colored figure on the division pages and the theme idea of the 1956 Kilchis.

FOREWORD

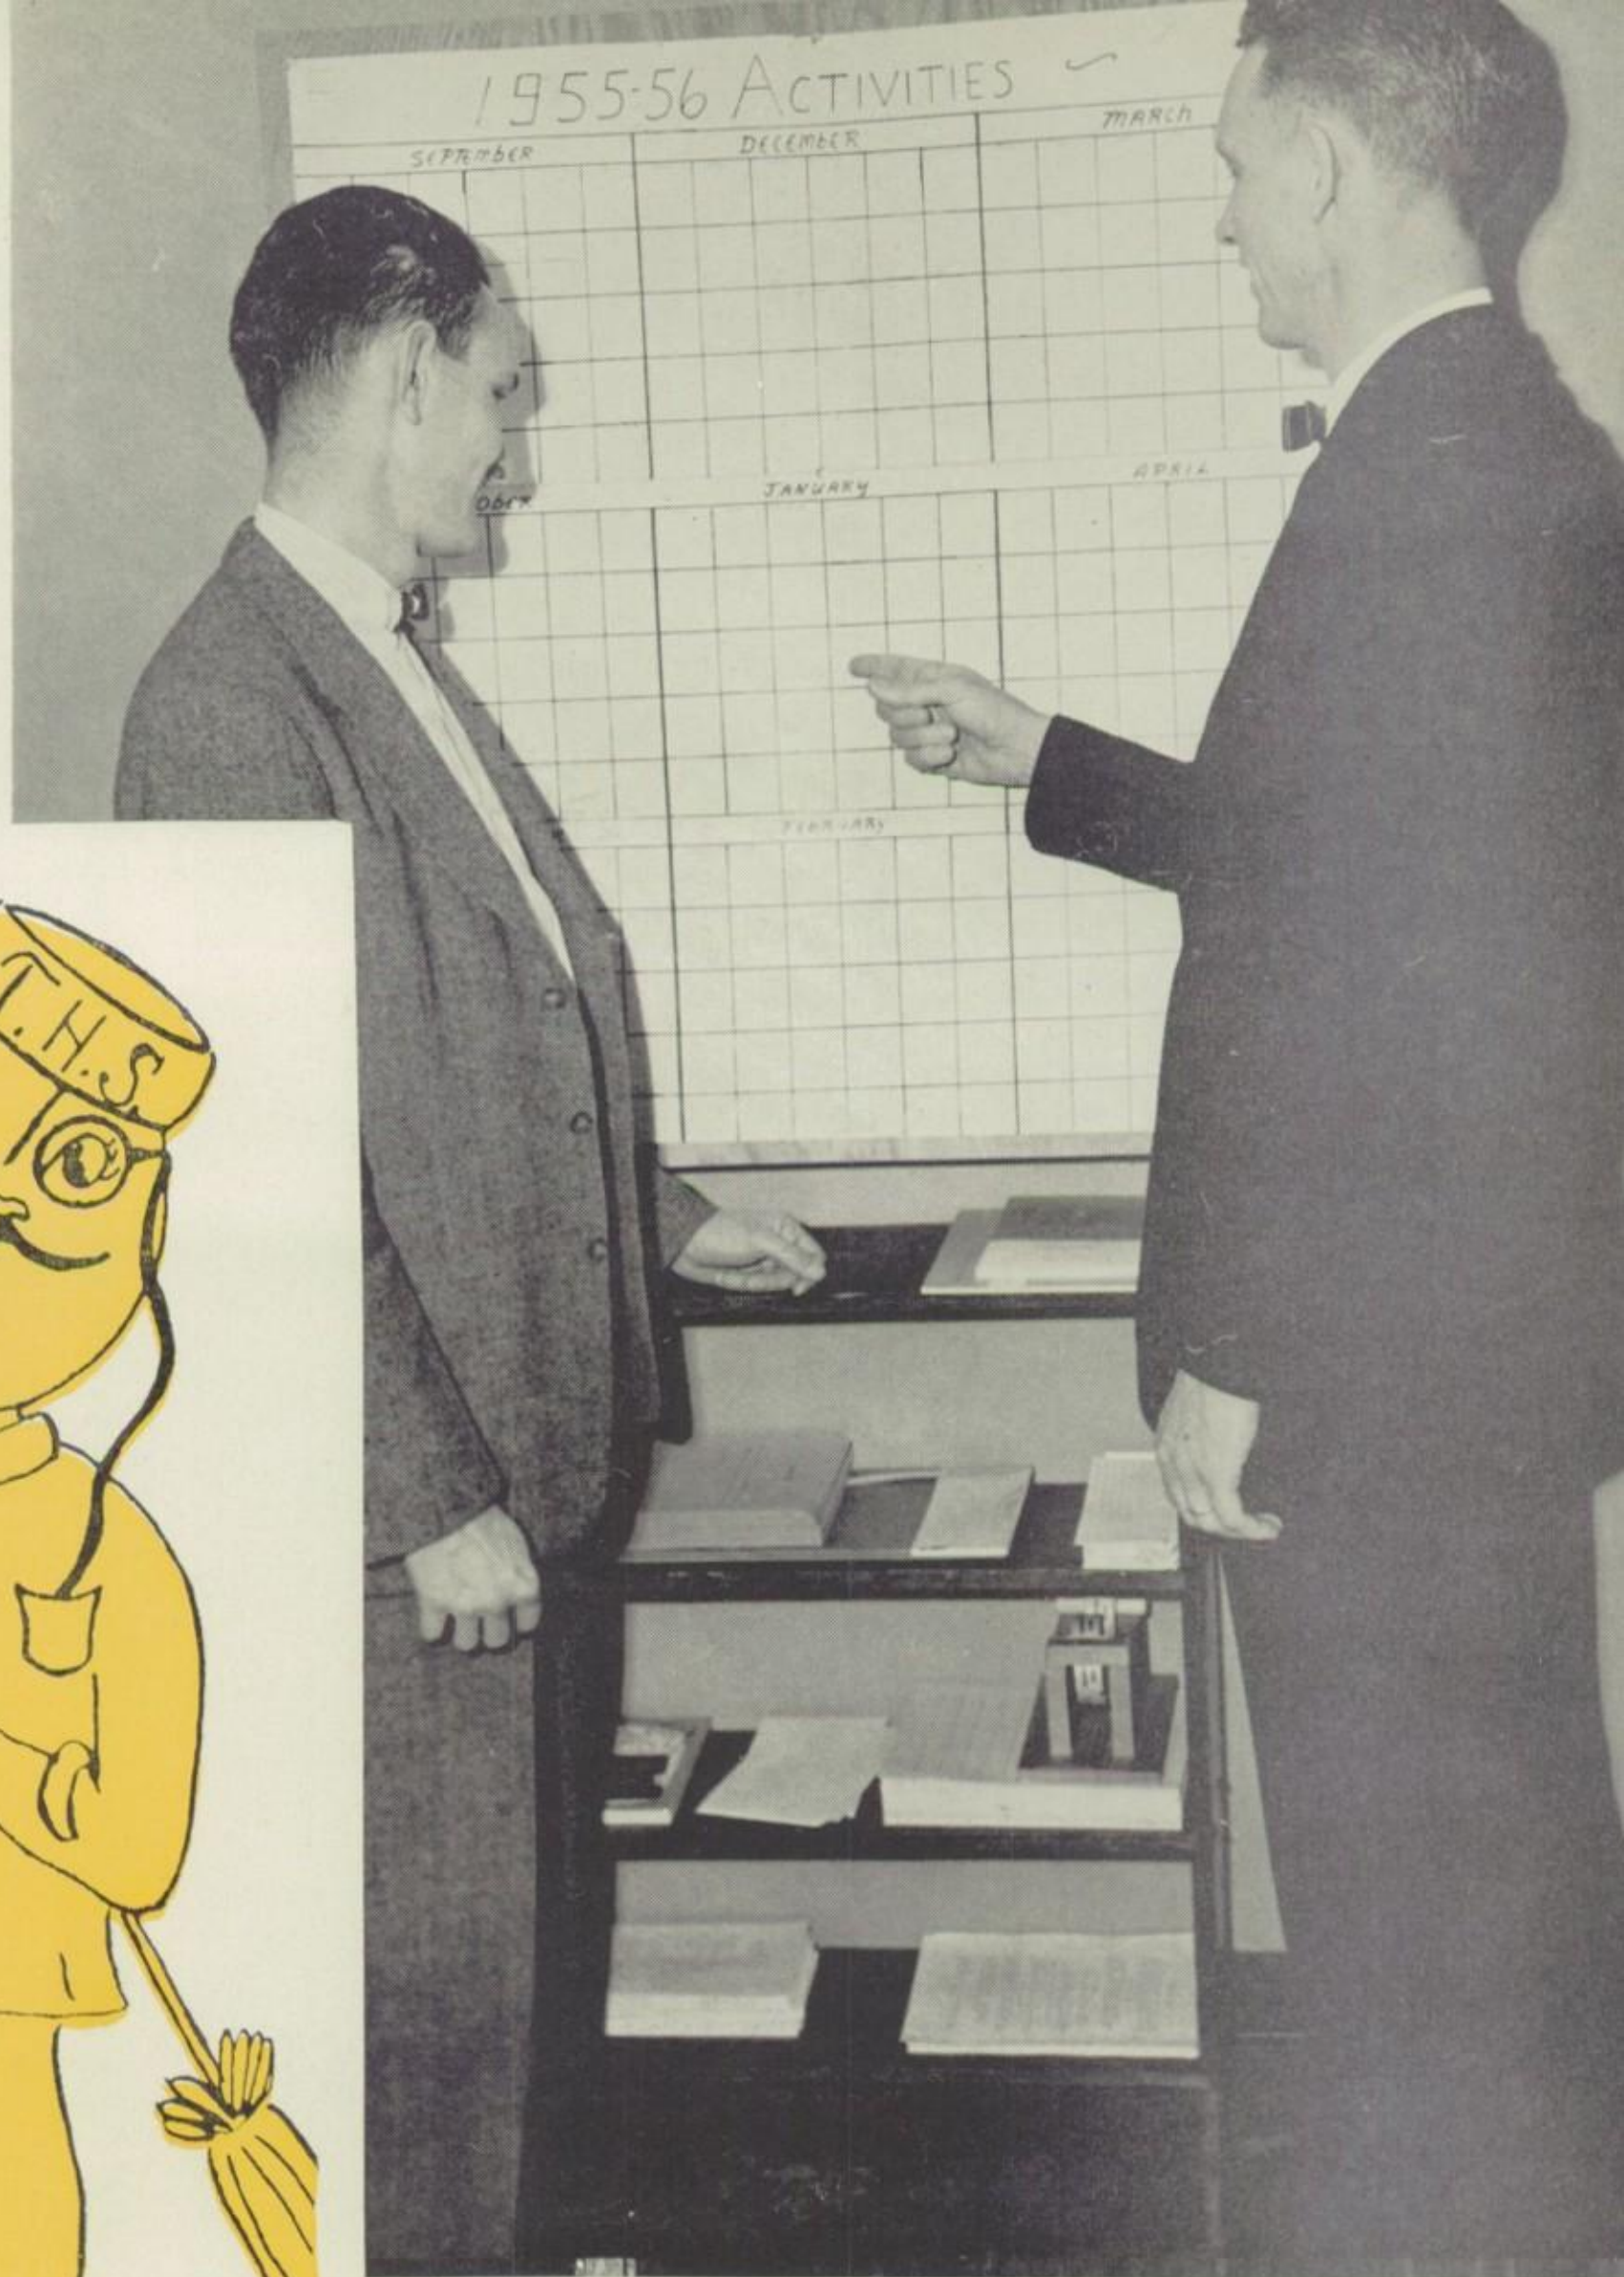

To the 1956 Kilchis staff, it has been an honor and a pleasure to produce an annual telling of this particular school year. Not only were the staff members cooperative in helping produce the Kilchis, but so were the students as a whole. This cooperation was true of the overall picture at Tillamook High School in the 1955-56 school year. That chiefly is the reason that the theme "spirit" was chosen for this Kilchis.

It has been fun to go to school this year because of good attitude. Enthusiasm reigned in all phases of school life. We had just reason to be proud of our school and its activities. For the seniors this Kilchis will be the last record of their high school days. Some of the pictures will be dimmed in their memories as they look back on these pages. Many of the now familiar faces will be forgotten, but it will be unlikely that they will forget the spirit of the students and faculty alike in their senior year. To the remainder of the classes the staff hopes this book will serve as an incentive for working even harder to improve our school, as well as a picture record of Tilla-Hi in 1956-57.

Spirit is defined in the dictionary as enthusiastic loyalty. This makes the term far reaching and does not apply only to yelling at a game, though a great deal of it is demonstrated at games.

Loyalty to the school during the past year was expressed also by the community. They, too made the 1955-56 school year one long to remember.

DISTRICT NO. 9 DIRECTORS

Five representatives of the people of the community, together with the superintendent and the school clerk, administer the educational policies, and create the budget for all schools in the district.

The seven meet on regularly scheduled monthly meetings — and frequently many special meetings — to discuss administrative problems ranging from budget matters to hiring school personnel. As in past years, a serious problem this school year was rising school population and the resulting building shortage.

This problem and others were met during the year and ably cared for.

The excellent spirit of the high school during the 1955-1956 school year was a source of pride to these people who saw in it a reward for their own careful planning and efforts.

STUDENT COUNCIL

The Student Council is composed of a representative elected from each third period class. All business concerning everyday problems connected with the functioning of a smooth program, and problems having to do with school activities are brought before this group.

This year as last year, the student council took over the Heart Fund Drive. Because of the outstanding work shown by the students the example they set in this drive was followed by several other Oregon high schools.

Tillamook High School was one of the reasons the March of Dimes Campaign was such a success in Tillamook county. Under the able leadership of President Ken Johnson, a well balanced plan was worked out to be followed by the classes in sponsoring their princesses and gathering contributions.

Standing left to right: R. Machen, R. James, J. Johnson, R. Lawson, bus. mgr.; K. Johnson, president; C. Bassett, vice-pres.; K. Pershall, treas.; L. Hoffman. Sitting, back row: A. Trotter, J. Ripka, N. Edgar, L. Krebs, M. Fletcher, M. Hulbert, S. Krake, R. Beeler, S. Johnson, B. Johnson, B. Dixon, M. Olson. Sitting, front row: B. Pruess, J. Rethlefsen, R. Lamb, B. Hudson, J. Landolt and N. Boge.

All officers, plus Al Trotter, Bette Johnson, and Bob Spencer attended the Region IV Conference held at Corvallis High School in November.

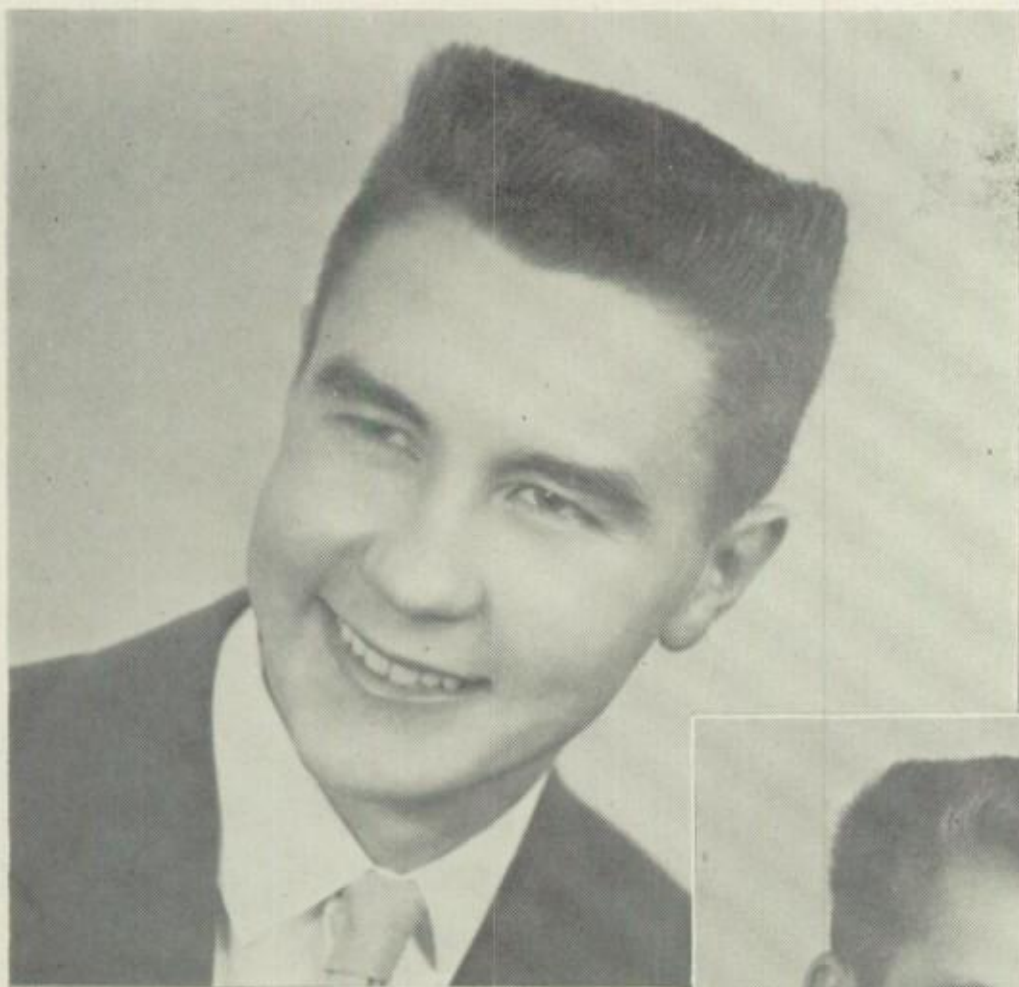

Homecoming was under the supervision of the Council this year; previously it was sponsored by the Pep Club. Under the Student Body it was a much better planned, organized and publicized affair.

Something new begun by the Council in 1956 was to open all meetings with a prayer.

The officers should be commended for a good job well done.

The idea of selling booster tickets to both adults and Junior High students proved to go over well and swelled attendance at games.

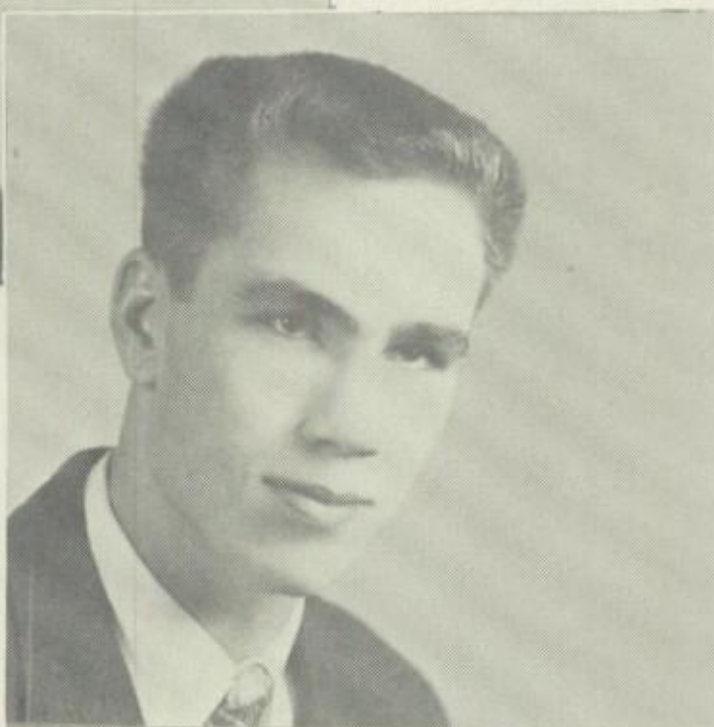

Summarizing the council had a busy but highly successful year.

CLASSES

CLASS OF 1956

Robert Spencer, the senior class president, led the class through a successful year with the help of Richard Christensen as vice-president, Carol Loop as secretary and Kay Smith as treasurer. Their advisors were Miss Emilla Tschanz and Mr. Lew Forster.

This year's senior class was outstanding in their high school activities and scholastically and were the first class to go completely through the high school—five years worth! Five years ago a small class moved from the junior high school to the new Tillamook high school building to become known as "Little Eighth Graders." As the years passed the class began to grow in numbers until it reached one hundred and over, to become one of the largest classes ever to graduate from Tilla Hi.

Honors to the football team were many the past season with Jim Coats and George Mackey winning all state honorable mention. Dick Plaep, Harvey Fritcher, Charles Bassett, Bob Spencer, Dale Wynia, Tom Gienger, Paul Willey, Dick Phillips, Morry Smith, Terry Dooley, Gary Hoffman, Phil Boggs and Ken Allread were the other senior members of the A squad team which took Tillamook into the state semi-finals playoff from the A-2 North Coast League.

Basketball co-captains, Red Spencer and George Mackey with Dick Plaep, Ken Johnson, Glenn Riggert, Harvey Fritcher, Dick Christensen and Jim Coats saw plenty of action on the "A" squad.

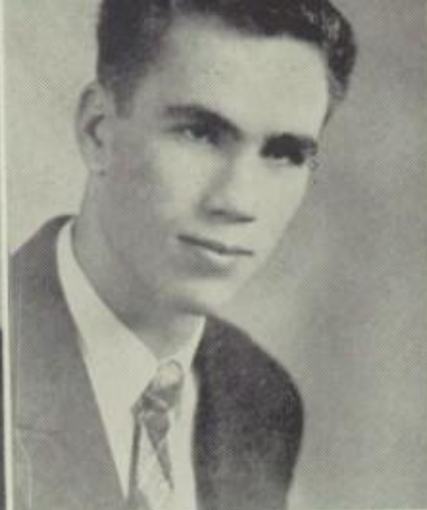

In their junior year the Class of 1956 put on a prom to be remembered for its beautiful theme, "Garden in the Rain." Also during their junior year the class established a new tradition at Tillamook High School with their Winter Formal now called the Senior Ball. "Life with Father" was the dramatic effort of the class in 1954, and "The People versus Maxine Lowe" in the fall of 1955 set records in popularity.

Individual honors to class members were numerous. Because of this and the record of the entire class their motto was chosen as "We are great enough to be our own masters."

The junior year for the class of 1957 was a typically busy one. The class went into its junior year with a big job facing them: to provide money for the Junior-Senior Prom and Banquet. The class accumulated its fund through various sales and dances, and honored the seniors royally in the big annual formal affair. The junior class entered a float in the second annual Homecoming parade, held in the fall, and captured first place honors. The junior class play "Our

Hearts Were Young and Gay," was presented in February.

Two of the "A" song leaders, Nancy Thomas and Sandee Martin, were juniors. The junior class was also represented in the "A" yell leading with Rosalie Zweifel.

Three junior boys, Gene Widmer, Jerry Ripka, and Allen Trotter earned letters in "A" squad football. Ken Jacob, Eddie Murray and Allen Trotter participated in "A" basketball. Many other junior boys participated in wrestling and baseball.

The sophomore class or the class of '58 had a very good year in 1956. Many participated in athletics, plays and clubs.

The class sponsored two projects. One was the Freshman - Sophomore dance and party, and the other, a "soup line" before games that were out-of-town. The students

sold articles to eat on the bus on the way to the games. The money that was made is to be for the prom which the class will sponsor in their junior year.

Typical Sophomore Class, this one a typing shot in Miss Abrams' Typing I, all sophomores at work.

1959

The freshman class, the class of '59, was active this year. They took their part in almost every phase of school life including athletics, school plays, clubs and had a large representation on the honor roll each grade period.

The freshmen showed up exceptionally well in athletics. Conrad Larson, a very colorful redhead, made the varsity football team and just barely missed making his letter. Bob Baty, another freshman, made the varsity basketball team, the first time in quite a few years a freshman has done so. There was a large freshman representation on the varsity wrestling squad also.

There were also freshman football and basketball teams both of which had large rosters.

The "Cheezetts" of Tillamook Hi is the girls' pep organization. The purpose of the pep squad is to promote school spirit, activities, and to put on pep assemblies. The pep squad worked with the Student Council to make a success of the 1955 Homecoming. Karen Jensen, Nancy Thomas and Betty Toy, delegates from the club, worked with those from student council as overall chairman of the Homecoming. Through selling mums at Homecoming the club was able to replace some of the badly depleted funds.

The girls bought a much-needed new juke box, as a gift to the student body, to replace the old one which had worn out. They paid for the juke box from the money they had earned during the year for their annual week-end.

The pep club sponsored the tryouts for the 1956-57 cheerleaders and songleaders. Those chosen as cheerleaders were Rosalie Zweifel, Barbara Lofton, Sharon Fritcher, Sallee Pollock, and Muriel Brunes. The songleaders chosen were Bette Johnson, Lee Ann Wyss, Linda Kelly, Judy Rethlefsen, Sandee Martin, Barbara Thompson and Jeanette Smith.

Tillamook high school's athletic men, The Order of the T, were extra active during the 1955-56 school year. The "T" men, under the able leadership of Corky Riggert, besides keeping an eye on the conduct of students and general well-being of the school, sponsored several successful projects. Their barn dance in the fall was a "never equaled" affair. The boys loaded literally tons of hay into the gym for decorations and a tunnel of hay served as an entrance for the attending couples. Fall initiation during this time saw future "T" men cavorting about the halls proposing to the lady teachers or loudly declaring themselves pansies. Donkey basketball during February was the lettermen's big money-maker. The boys challenged the faculty members to play them and everyone who saw the game declared it a laugh fest from start to finish. Fortunately, the game ended in a 18-18 tie so there were no hard feelings—however, several faculty members spent the next Monday standing rather than sitting. The big spring picnic found the boys participating in their favorite activity—eating.

The "occasion," a tremendously successful though dampened Barn Dance sponsored by the T Men. They hauled in 30 tons of hay for the affair as setting, and a good one it was. But, Mother Nature interposed. One of the worst floods to hit the area in years roared in that night.

Fall initiation brought the group at the right out into Tilla Hi's halls dressed like "pansies." Poor chaps, their sitters took a beating that day as did their knees from constant bending to the lettermen. Each was forced to proclaim loud and often that he was a pansy. The celebration was further heightened by a loud smell of onions accompanying the initiates: they ate them by the pound that fateful day.

GIRLS LEAGUE

The THS Girls' League is a service organization whose membership consists of all the girls of the student body. The adviser is Miss Esther Chapman.

In the first semester the Girls' League showed itself to be an organization which gets things done. The Big-Little Sister party was the first activity. Then the officers were installed and the executive council was elected. The girls of the month were chosen on the basis of various traits, and were presented with pins rather than corsages this year.

The Girls' League entered a float in the Homecoming Parade, and then had a "Lug Day" for a money making activity.

The big fall event was the November Father-Daughter banquet, and the semester's activities were topped off with the annual Girls' League Christmas Assembly.

Main events of the spring term were the annual Mothers' Tea and style show and the slumber party.

BOYS FEDERATION

The Boys' Federation is in its second year of existence at Tilla-Hi. This organization has provided a chance for the boys to get together and discuss their problems.

As a joint organization to the Girls' League, the boys meet on the same day. The boys are under the supervision of Mr. Don Spiering.

For projects, the groups discussed various community-minded affairs as well as mere entertainment devices. Tree planting in the "burn" met the approval of the boys as a whole, and the groups took on this activity as one of their major constructions.

The officers worked hard to give the organization a successful year.

In charge of programming were the following group shown in a meeting for purpose of selecting next month's material: Bob Bassett, Ken Allread, Allan Trotter, Richard Christensen, Mr. Don Spiering and Connie Larson.

The F.F.A. has been very active in the past year participating in many events such as exhibiting at the fair, judging contests, and parliamentary contests. Last spring Norm Pallin won the State Farmer award. The chapter put on two radio programs—one a parliamentary program and the other a speech by Martin Suter that won him first in the chapter public speaking contest. Last spring the Parliamentary team placed third in the state parliamentary contest. This record was the highest ever achieved by Tillamook F.F.A. in a state contest.

The Frosh Tri-Hi-Y elected Darlene Miner as president; Karen Lyster, vice-president; Betty Jean Warren, secretary; and Marian Miller, treasurer. The group during the year had a Christmas party and attended a Halloween dance as a group. They also held several other dances and parties as well as numerous service projects.

FOOTLIGHTS

The Footlights club, a dramatic group, met twice a month under the guidance of Mr. Donald Whitney, dramatic's advisor of Tillamook High School.

Footlight officers for the year were: President, Gary Holmes; Vice-President, Albert Aden; Secretary, Susan Tibbetts; Treasurer, Janice Galloway.

Standing: J. Irving, S. Craver, P. Knutson, J. Weber, D. Hancock, Mr. Whitney, S. Pollock, G. Holmes. Seated: B. Van Cise, G. Ackley, D. Gigoux, J. Rethlefsen, S. Tibbetts, A. Aden, L. Kelly, B. Johnson, J. Galloway, V. Tupper.

The organization was formed to help those students with three or more points toward Thespian membership, earned by participation in dramatics' activities, to gain the ten points necessary for Thespian membership. Many of the Footlighters obtained those points before the year was out.

Serving as a sister organization to the Thespian club, Footlights had many of its members in plays, skits and various other activities in dramatics. A number of Footlight members went to the annual Regional Thespian Conference at Eugene, Oregon, on February 9, 10, and 11.

Always an active and popular group the Tillamook high school Thespians, National Dramatics Honorary, were busy during the past school year, under the direction of Margie Wells, president; Barbara Dixon, vice-president; Joyce Oldenkamp, secretary; and Bette Johnson, treasurer. Adviser again for 1955-56 was the versatile dramatics coach and biology teacher, Don Whitney.

THE PEOPLE VERSUS

MAXINE LOWE

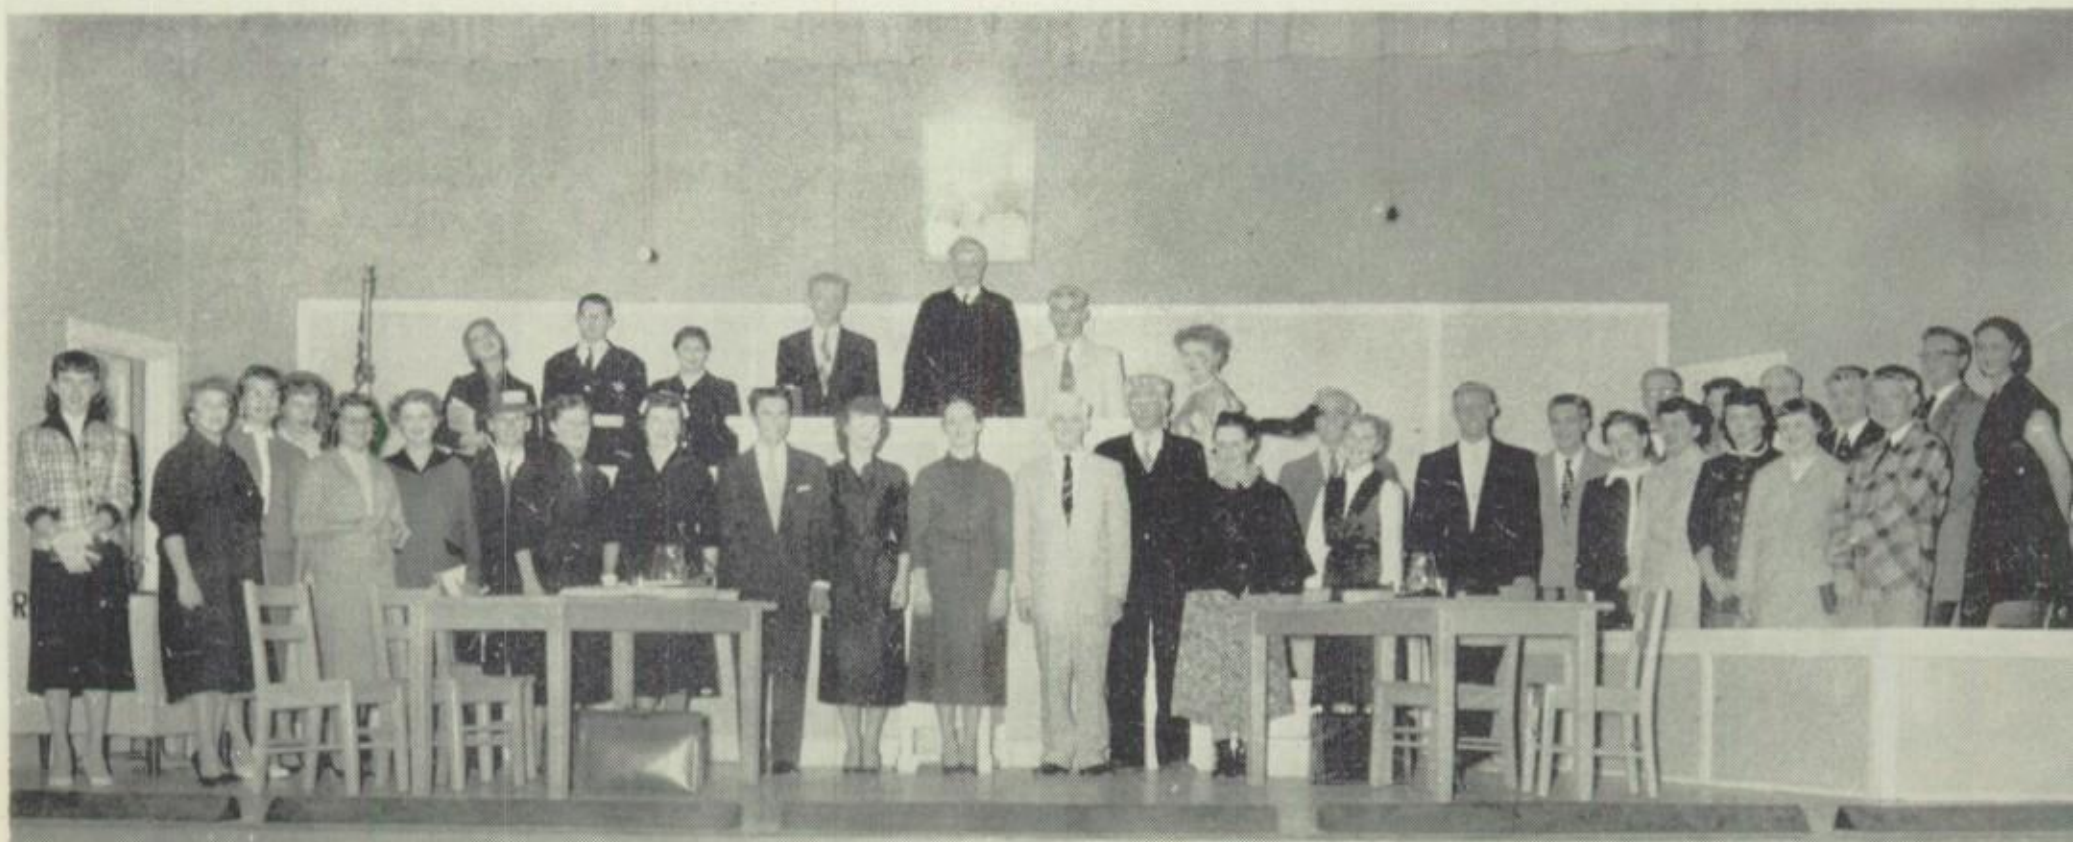

The senior class of 1956 presented "The People Versus Maxine Lowe," a suspense-filled and humorous courtroom drama in three acts, November 22 and 23.

The action took place in the Superior Court No. 14 of the State of Illinois in June 1955. The play opened on the second day of Maxine Lowe's trial. The jury had been selected and preliminaries attended to the previous day. The play moved along very rapidly as it was carried on just like a real trial.

Maxine Lowe, a middle-age woman on trial for her life for the murder of her husband was portrayed by Karen Jensen. Maxine's attorney was James Hathaway, played by Kenny Johnson. Warren Cass, attorney for the State, was convinced that Maxine Lowe had really killed her husband. Roy Lawson took this part. He was assisted by Jessalyn Meredith, a young attorney just out of law school, played by Rosemary Lamb.

As the trial continued the threads began to unravel. Jessalyn Meredith discovered through Maxine Lowe's testimony that she was Maxine Lowe's daughter. Jessalyn then joined her mother's defense attorney, James Hathaway, to help prove her mother's innocence.

MIXED CHORUS

The above group of singers was the well known mixed chorus, directed by Mrs. Jacqueline Jackson. The stress was on quality and comments praising the efforts of the chorus during the year showed that they achieved it. The group sang for many assemblies as well taking a major role in the annual concerts sponsored by the music department: the fall, Christmas, and spring musicals. Solo work was done by Dale Wynia and Bill Finch.

Meeting after school to rehearse, the group at left known as Triple Trio prepared for singing engagements of great variety. They entertained service clubs, took part in assemblies as vocal ensembles, and were part of the regular concerts in the auditorium.

Left to right: Susan Tibbetts, Charlotte Pye, Judy Rethlefsen, Kathy George, Mary Chambers, Jean Fitchen, Lynn Hebert, Robyn Emerson, Barbara Dixon, pianist.

VOCAL MUSIC

GIRLS GLEE

At right the colorful singing group known as Girls' Glee. Their efforts were outstanding it was said, with excellent range and blending. As other vocal groups in the high school the Girls' Glee took part in all the concerts held by the high school. They also were a featured section of both the Thanksgiving and the Valentine Assembly. They took part in the district music contest held this year in Astoria. Charlotte Pye was the accompanist of a group predominantly underclassmen.

SEXTET

Frequently entertaining at very short notice, this vocal ensemble known as the Sextet received much fame from P.T.A. groups and other like organizations. Like the Triple Trio, they met after school for practice, and like the rest of the vocal department took a part in most of the programs during this year. Their spring activities took them into district competition.

Pianist, Judy Rethlefsen; left to right: Rosemary Lamb, Barbara Dixon, Janice Kautto, Kathy George, Louise Lewis, Virginia Aaronholt.

The Tilla-Hi band, directed by Mr. De'mar Mabee, at the band contest.

The local merchants of the city of Tillamook sponsored a spring opening this year. Featured with this opening was the band contest of Tillamook county. Neah-Kah-Nie High, Liberty Junior High, and Nestucca High were the schools participating in the event.

Tillamook high school took first place honors with their novelty tune "Mambo Band." Neah-Kah-Nie won first place on the classical part of the program. First prize amounted to \$30.00.

BAND

The twenty-one piece Tillamook high school band, augmented at special occasions by members of the junior high band, were frequent entertainers for school and community functions, where their colorful costumes and excellent music were welcomed and applauded.

During the year they presented special music assemblies and even concerts in cooperation with the vocal music department. There were three such affairs, one in the fall, one at Christmas, and one during the spring term. In addition the band provided background music at school plays. For the junior play, "Our Hearts were Young and Gay," their repertoire consisted of 1929 tunes in keeping with the theme of the play.

PEP BAND

By pinch hitting for the regular band, playing at pep assemblies, traveling to away games, and many other tasks, the Pep Band has made itself known around THS.

Consisting of a representative from each of the various sections of the band, this group has been acclaimed for its pep and vigor. All members of the regular band hope to play on the pep band—some day.

PHILOKALONS

Philokalons, the Tillamook high school chapter of the National Honor Society, is considered the highest honor which a high school student can achieve if elected to membership in it. Membership is based on outstanding traits of Character and Leadership and superior Scholarship, as well as outstanding Service to the school and community. Members must be of junior or senior standing and are required to uphold the basic traits of membership after their induction also. During the past school year the Philokalons awarded a \$100 scholarship to a graduating senior, assisted the administration, and compiled the honor roll. Two dances were held also. Spring and fall tapping ceremonies were conducted by the members to select worthy members of the student body for induction into the society.

Carol Gorton, though not pictured, was a transfer to the Philokalon Chapter from the Neah-Kah-Nie National Honor Society Chapter.

Officers for the year were president, Carol McMinimee; vice-president, Kathy Pershall; and secretary, Roy Lawson. Adviser was Miss Vida Abrams.

Cheesemaker Football Teams Rate State Semi-Finals in 1955

DON ROSBACH
Head Coach

Tillamook had the most successful football season this year of 1955 that the community had seen for many years. Coach Don Rosbach fielded a team that in his first year of mentoring at Tilla-Hi went all the way into the semi-finals of state A-2 football championship. The powerful Mook squad bowed at the last to the Dallas team on a muddy Dallas field in a game where the Cheesemakers dominated all aspects of play relative to gains in the air and on the ground but failed to score: Dallas sneaked across one T.D. in the third quarter to take the game. They lost the next week to Vale.

Tillamook won everything in the Norco league and brought home the first official Norco trophy in this first year the team played A-2 ball. The Mooks lost three games all season: One to Astoria, one to Parkrose and one to Dallas.

TONY DOOHER
Backfield Coach

Tillamook's group of outstanding coaches was headed by Don Rosbach, formerly of Camas, Washington. His first year was tremendously successful and saw his Cheesemakers go into State semi-finals. Tony Dooher, backfield coach, came to Tillamook from Woodburn, though he had coached at Tillamook Catholic earlier in his career. Line Coach Al Goertzen was filling out his second year as line mentor for the red and white.

Coach Darrell Lewis and his B Football Squad ended the season with a two win, two loss, one tie record. The B Squad racked up 45 total points and held their opponents to 37 total points. The season was considered successful in experience and record. The Frosh football squad gained a greater amount of experience and show great promise for future years though the 1955 season was not termed "successful." As Coach Barney Swanson so aptly put it, the only team which the frosh consistently beat was the THS "B" squad. However, the boys deserve much credit for their hard work.

The season started with quick success for the Mooks as they defeated three of their opponents in the first NORCO League Jamboree and took first honors. They continued over the season and piled up a fine 16 win - 8 loss record, counting jamboree and tourney play.

The Cheesemakers won first with Seaside as Co-Champions of NORCO League and placed third in District 1.

The season saw many fast-moving games for the locals, and the Camas fray was the first defeat for the Mooks. However, Swanson's five came back to win court honors over the Papermakers on their home maples.

The Cheesemakers played four games with their biggest rivals, the Seaside Seagulls and ended the season in a tie for first but with a satisfying win over Gulls at the season's finale, which edged them out of third in district.

The local team outscored their opponents by a big 92 counters in a season of tallying 1211 for Tillamook and 1119 for the opponents. Much of Tillamook's success was due to the carefully planned court work of Coach Barney Swanson over the past three years. Barney gave good ground work to the team over the years and showed results in this 1955-1956 season.

The Tillamook high school wrestling squad finished the season with a one win-five loss record. The team, however, did have a very fine year of rebuilding under new coach, Don Rosbach. Although they lost five, all these were very close matches with the Cheesemen only losing by about five points in any one match.

Co-captains for this year's team were Morry Smith and Tom Gienger. They both finished third in district. Because of the lack of weight in several classes, Tom Gienger and Jerry Ripka wrestled over their weight by about two classes.

Little Joe Markee had the best record with 7 wins and one loss over the season. He was closely followed by Morry Smith with a 9-3 record and Tom Gienger with 8-4. Morry Smith has the biggest point getter for the year with 52. Tom Gienger was next with 42½.

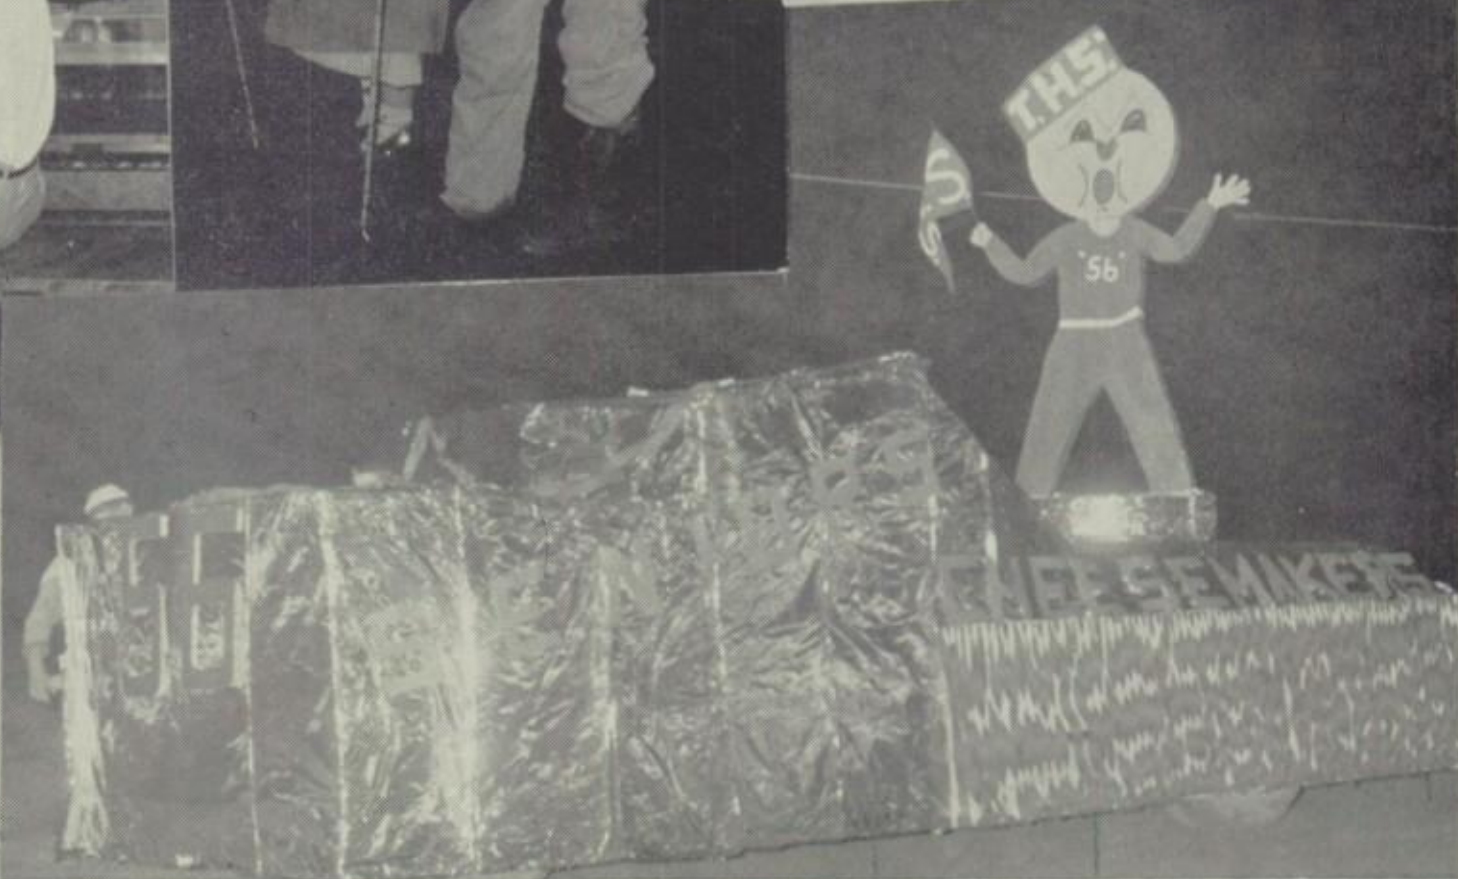

The squad only lost three men this year via graduation. These were Smith, Gienger and Paul Willey. The boys will be missed but Mr. Rosbach is looking forward to a very successful 1957 season due to this year's work.

QUEEN JUANELL I

The banquet was held in the high school cafeteria. The theme "Stairway to the Stars" was carried out throughout the evening at both affairs. THE BAXTERS AND LOLA

The student body play "Seventeen" was a tremendous success. This was the first musical-comedy presented at Tillamook high school for many years.

Audience reaction was particularly good for this production. Nearly 1500 people witnessed the songs, dances, and acting of Terry Shappee as Willie Baxter and Rosemary Lamb as Lola Pratt. The many colorful costumes and realistic sets added to the intriguing musical.

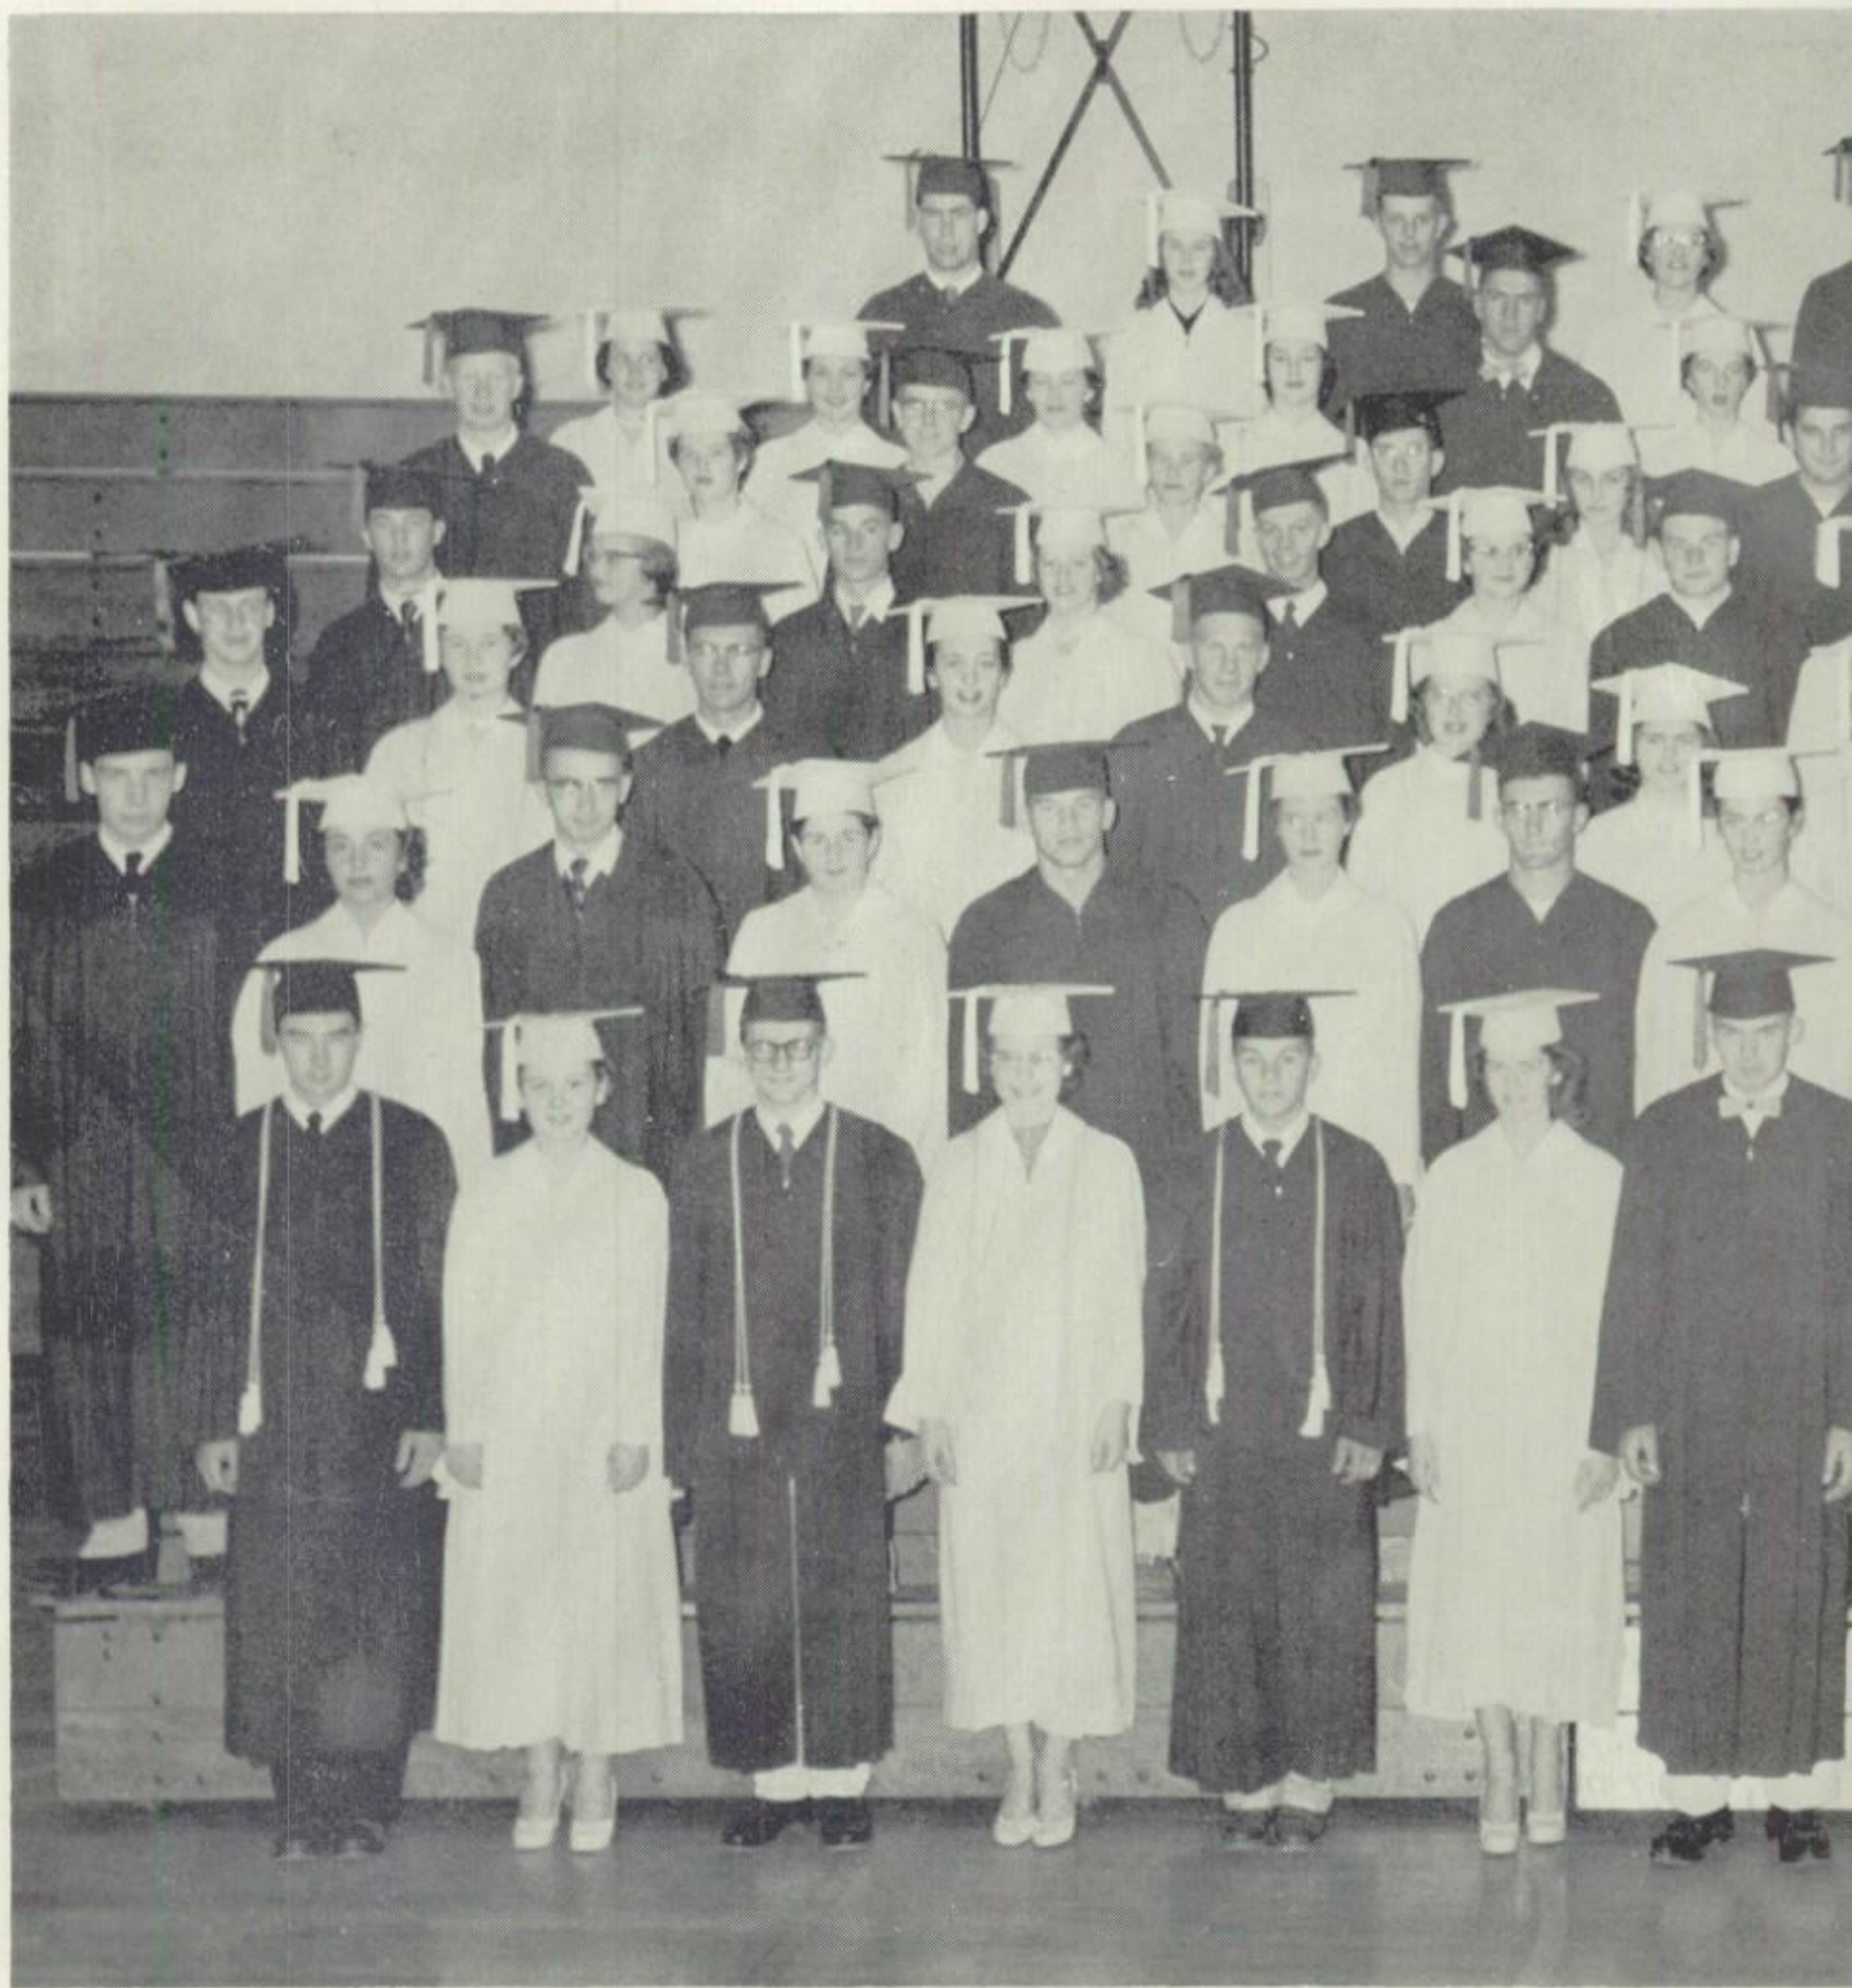

Mr. John Turbyne, Mr. Don Whitney, and Mrs. Jackie Jackson were commended on their fine efforts in directing the cast of 45 people and a story into a success. With their continuing help and suggestions the play was very interesting and entertaining. The costumes worn showed the realistic clothes of 1907 and setting.

A record crowd of 1400 saw the Class of 1956 graduate on the evening of May 25 in the Tillamook High School Auditorium. Aldis Webb as main speaker. Speakers for the graduation were Salutatorian Roy Lawson, Valedictorian Rosemary Lamb.

The Tillamook diamond men were deep in experience and had depth for any position. The Cheesemen had an 8 win-6 loss record. The Mooks played some of the top freshmen teams in the Northwest and made a good showing in most games. The diamond men played the top team in the Valley Coast League, Central Catholic, and snubbed them 6 to 3.

Under the coaching of Tony Dooher, the Mooks were pointing towards the league championship and state, but lost their chance at Seaside in a double header; the Mooks lost the first, 2 to 0; the second game, 3 to 0.

TRACK

TRACK TEAM: Front row: Assistant Coach Don Rosbach, Baxter Moore, pole vault; Charles Bassett, 220; Allen Trotter, 100 and 220; Jim Coats, discus, shot, relay; Perry Reeder, javelin. Back row: Eddie Murray, low hurdles, 220, discus; DeRoyce Bell, high jump, broad jump; Gary Holmes, 440; Steve Stratton, mile; Frank Bohannon, mile; Harvey Franko, high jump; Wally Cunningham, manager, mile. Head Coach Al Goertzen.

Tillamook high's 1956 track season could easily be named the most successful that the Mooks have had. Coupled with good weather for practicing and the coaching of head coach Al Goertzen and his assistant Don Rosbach, the cindermen consistently brought home top honors in their meets and went into state competition with four track men who pulled down an eighth place there. Charles Bassett, Jim Coats, Allan Trotter, and Roger James were the four who went to state. The relay team brought home a third, and Jim threw the discus to a third and the shot to a fourth place.

Season's scoring saw the following results:

One half of the Tilla-Hi relay team. Jim Coats, senior, and Allen Trotter, junior, pass the baton in practice session on the Tilla-Hi field. Roger James, junior, and Charles Bassett, senior, wait for the next lap.

GOLF TEAM: Coach Barney Swanson, R. Buel, J. Hoffert, R. Sheldon, R. Wood, R. Lemery, D. Hoffert, A. Johnson.

The young and very inexperienced golf team spent most of the season building. Consisting of all freshmen members with the exception of one sophomore, the seven man squad took on severe competition in the area with the inevitable results. The highlight of the year was the defeat they administered to the Neah-Kah-Nie squad. They were third in the Norco league. But as the boys said, "Just wait a year or two."

THE ALMA MATER

*Oh, Tillamook, our Alma Mater,
We hail thy colors true,
We always win our battles,
Our fellows fight for you,*

*Tillamook, our Alma Mater,
To thee we sing our praise,
To thee we sing, to thee we pledge,
The strength of all our days.*
